Dear Applicant:

Thank you for your interest in scholarships to Crane Youth Music 2015! The Scott LaVine Crane School of Music Scholarship is designed to assist applicants who are attending Crane Youth Music. This scholarship fund anticipates making anywhere from three to six partial awards. Awards will be based on financial need, recommendation from a music instructor, and a New York State School Music Association solo evaluation or a representative evaluation of the student’s talent from another source.

The scholarship is still in funding development and therefore has limited funds to distribute. Please review the accompanying application form, which asks for the following to be submitted on behalf of the applying student:

1. A copy of the most recent evaluation of the student’s playing (NYSSMA or equivalent).

2. A letter from the student and/or parent describing financial need or circumstances (include AGI, job situations, number of dependents in household).

3. A recommendation from a music teacher with knowledge of the student’s abilities.

Applications missing any of the above items after April 20 will not be considered!

Please submit materials no later than April 20. Awards will be made by April 30, 2015. Thank you for considering Crane Youth Music as your choice of summer music camps! I’m confident that you will find the experience to be rewarding and meaningful to your musical development. Return all material to: Casey Nelson, Center for Lifelong Education and Recreation, 389 Van Housen Ext., SUNY Potsdam, 44 Pierrepont Ave., Potsdam, NY 13676.

Sincerely,

[Signature]

Julianne Kirk Doyle, Director
Crane Youth Music
