Emergency Numbers

If you must contact your child in cases of emergency, please call:

Between 8am - 4pm: CLEAR Office, 315-267-2167
Before 8am and after 4pm: University Police, 315-267-2222

Please bring the following items:

(Items marked with an *asterisk are for residential campers only)

- Basketball Shoes
- Shorts
- Several Pairs of Athletic Socks
- T-shirt or Basketball Jerseys
- Towels
- Swimsuit
- Bedding—sheets, pillows, blankets or sleeping bag*
- Toiletries (soap, shampoo, deodorant, towels, washcloths, etc.)*
- Fan (optional, but strongly encouraged)*
- Spending Money (optional)*

Swim Test

Any camper who wishes to swim during the week must take the swim test Sunday evening at Maxcy Pool. Any camper who does not take the swim test on Sunday evening will not be permitted to swim. Campers must bring their swimsuit to the All Camp meeting Sunday evening. All overnight campers who pass the swim test will have an opportunity to use the pool during the week. Commuters who pass the swim test may have an opportunity to swim depending on age, schedule, and weather. Bring sneakers and clothes with you, as camp will start after the Camp Meeting.

Talent Release

Any camper participating in the International Summer Basketball Camp who does not give permission for use of photographs, recordings, or comments by checking the appropriate box at the bottom of the “Conduct Code” section of the Camp Forms will be prohibited from being in any official camp photos.
START OF CAMP: Initial Procedures (NEW FOR RESIDENTIAL CAMPERS)

On the first day of camp there will be a designated area for all campers to check-in in Maxcy Hall. Verification of payment in full and completion of required forms will be mandatory for all campers to begin participation in camp activities. On the first day of camp, parents/guardians are responsible for campers until camp activities officially begin at 6:15pm. Please note that the camp will not serve dinner on Sunday, so families should plan to have dinner off-campus on their own.

Check-Out Authorization

Any individual who will potentially be picking up your camper, including yourself, must be listed on either the “Check-Out Authorization” or the “Camper Self Check-Out Option.” Each authorized person must be at least 18 years of age. Campers will not be permitted to leave camp with anyone who is not listed on their “Check-Out Authorization.” All authorized individuals will be required to show identification to camp staff when picking up a camper. (Example: If you are planning to organize a car-pool among a variety of families attending camp, all individuals potentially picking up campers should be listed on the form and should bring ID to check-out.)

Residential Camper Procedures

On the first day of camp, parents/guardians are responsible for residential campers until 6:15pm, when camp activities officially begin in the main gym in Maxcy Hall. The camp will not serve dinner on Sunday (see “START OF CAMP: Initial Procedures” above). On the last day of camp, coaches will release campers to their parents/guardians throughout the afternoon. Campers will be permitted to check-out once their last game is complete or they will check-out following the Awards Ceremony. Please note that residential campers are not allowed to self check-out mid-program. Campers and their parent/guardian must check-out with their coach prior to leaving camp and will receive an evaluation that will identify the camper as having properly been checked-out by camp staff.

Commuter Camper Daily Check-In/Check-Out

At the beginning and conclusion of camp activities each day, commuter campers will sign in and out with their coach in the main gym. A parent/guardian must physically go to the gym unless a “Self Check-Out Option” is on file, in which case the presence of the parent/guardian is not required, except for the initial check-in on Sunday. Self check-in campers must report to their coach immediately upon arrival. At the conclusion of daily activities, the coach will release campers only to approved individuals listed on their “Camper Self Check-Out Option.” Campers with self check-out authorization will follow those protocols (see below).

Self Check-In/Check-Out

Parents/Guardians of campers who are age 14 as of June 1 will have the option to allow their child to arrive and leave camp unaccompanied. Only campers who have a completed “Camper Self Check-Out Form” on file with the CLEAR office will have permission to arrive and leave without a caregiver. Residential campers may self check-out with their coach following the completion of their games on the final day of camp. Commuter campers engaging in self check-in/check-out will follow the same protocols as other campers: they must check-in with their coach upon arrival each day, and check-out with their coach prior to leaving camp. These campers are not allowed to leave camp early unless explicit instructions are given to their coach by the camper’s parent/guardian. No exceptions can be made for campers who do not meet the age requirement. (Example: A camper who is 14 and has a “Camper Self Check-Out Option” on file checks out with their coach at the end of the day before meeting their parent/guardian in the parking lot.)

Mid-Program Camper Check-Out Authorization

If a parent/guardian needs to remove their child from camp for any reason, campers may only be checked out by an authorized parent/guardian as indicated on their completed “Check-Out Authorization.” Campers MAY NOT self check-out from camp mid-program (meaning outside of regular morning and afternoon check-in/out times) for any reason. *Upon returning to camp, parents/guardians must visit the Athletic Training Room in Maxcy Hall with their camper. Training Room Staff must officially check the camper back into camp prior to parents/guardians releasing their child. (Example: If a camper has a dentist appointment, an authorized parent/guardian must check the camper out with their coach before they may leave camp. Upon returning to camp, the parent must accompany the camper to the Athletic Training Room and wait for staff to check the camper in prior to leaving.)

END OF CAMP: Final Pick-Up of Campers

Following a camper’s last game on the final day of camp, they will be permitted to check-out with their coach where they will be released into the final custody of their parents/guardians or other authorized persons listed on the camper’s “Check-Out Authorization.” Any campers present for the Awards Ceremony will check-out at its conclusion. All people picking up a camper must have a valid ID and only those individuals listed on the “Check-Out Authorization” will be permitted to check-out campers. Any camper who is 14 years of age or older and has a “Camper Self Check-Out Option” on file will check-out with their coach during this time. Campers will receive an evaluation from their coach, which will identify the camper as having been properly checked-out of camp. Residential campers must have the evaluation present when checking out of the Residence Hall. Following the check-out process, supervision of campers will no longer be provided by camp staff.

Camp Store

Our camp store will have a large variety of Potsdam "Bears" t-shirts, sweatshirts, caps, shorts, and practice jerseys for sale throughout camp (during night time activities and the final day). It is not our intention to make a profit on these items but to make them available to our campers and SUNY Potsdam supporters at a very reasonable price.

Cars at Camp

The practice of campers driving themselves to camp and leaving cars on campus is STRONGLY DISCOURAGED. If campers do drive they are prohibited from use of the vehicle while at camp. Once the camper has parked the car at check-in, it must not be used until the camper checks out of camp. Parents are required to be present at the initial check-in of a camper. Failure to comply with these rules will result in immediate expulsion from camp with no refund.
