To the Parents/Guardians of Bears Learn to Swim Private and Group Swimming lessons and the Competitive Swim program:

**Please note** - Supervision of participants by a parent/guardian is required at all times during this program. Swim instruction and aquatic surveillance will be provided, but supervision of children will be the parent/guardian’s responsibility.

There will be no formal check-out during these classes (therefore *pick-up authorization forms* will NOT be collected). Please remain in the pool spectator area for the duration of each class session, accompany your child to locker rooms and restroom areas, and please remember minors are not permitted to be alone on campus.
